City Scenes... may be your style. We photograph you in some less traditional areas—back alleys, fire escapes, doorways, parking lots, warehouses, and near train tracks. These portraits give you the look that's outside the box. Previews are shown in both color, black & white and sepia tone. This session takes about an hour and the fee is **\$50**

If it is within a half hour drive of Belden Village, the fee is **\$80**. If it takes between 35 and 60 minutes to get there, the fee is **\$150**.

Black & White or Sepia toned portraits You may convert images in your Image Book to either black and white or sepia or both for a **\$15** fee. When you place your order, if you would prefer to convert another image or switch b/w to sepia or vice-versa, there is no additional charge. Or add a 15 minute session in black and white, sepia tone or a combination of the two and an extra outfit for **\$30**.

Artistic Touch... \$30... Working with Dick Rogers, you select an images to be transformed by artistic magic, ending up with a masterpiece that is uniquely you.
